AN OVERVIEW

Since 1980, Doorline has been a known name in crafting and casting quality brass builder hardware with passion and precision, exclusively for Indian Markets. 'DoorLine' initially produced only artistically designed, hand-made Casted Brass Mortice Handles and Door Fittings, later on with the changing times, our dedicated team has transformed the existing trends by developing new designs with higher production and accuracy. This in-house range includes contemporary door hardware including Mortice Handles & Locks, Latches, Aldrops, Window and Cabinet Fittings and Traditional Brass Cupboard Locks. In addition to it, we also produce latest Pin Cylindrical Mortice Locks, & Forged Brass Mortice Handles, Pull Handles, Aldrops and Cabinet Fittings. Now our set-up comprises of forging workshops, machine shops, development wing, traditional and latest electrophoretic laquer. Inhouse plating unit have different finishes like 24 K pure gold plating, Antique + Copper Bronze, Satin + Silver finish, Nickel Chrome Plating, etc, which enable us to produce wide range of combinations.

"Doorline" Collection of builder hardware & locks are one of the biggest catering to Indian Markets. Our R&D team is committed to introduce new products in the market from time-to-time that reflects Architects, Builders and Consumers buying patterns with best possible quality, safety, functionality, fitment and design perfection.
