

An ISO 9001 : 2015 Certified Company

Stunning Sparkle of styles...

A series of thin, wavy lines in a light purple or pink color, starting from the left edge and curving upwards and then downwards towards the right edge, creating a decorative border at the bottom of the page.

PRODUCT CATALOGUE

An ISO 9001 : 2015 Certified Company

An Overview

Since 1980, doorline has been known name in crafting sand casted brass builder hardware with passion and precision exclusively for the Indian market.

Doorline initially produced artistically designed hand-made casted brass mortice handles and door fittings. Later on with changing trends, we transformed the trends by developing new designs with modern machineries, equipments and techniques for higher production and accuracy.

Our complete in-house range includes forged brass Mortice Handle & Locks, Aldrops, and Latches, Window fitting and traditional brass Cupboard Locks. In addition to it we also produce wide variety of latest Pin Cylindrical locks and Mortice Locks.

Our In-house setup comprises of Forging & Machinery workshops, Pressure Die-casting, development wing. Our tool room includes machines like CNC Wirecut, CNC Milling, EDM and SPMs along with Turning machines, Shapers and Planers, Milling machines, Grinding machines and variety of Press machines.

Our in-house Electrostatic Lacquer and Plating unit has different finishes like Antique, Nickel-Silver plating, Zed Black finish, and the latest PVD finishes which enables us to produce wide range of finishing combinations.

doorline collection of builder hardware & locks are one of the biggest catering to the Indian market. Our R&D team is fully committed to introduce new products in the market from time to time which reflects Architects, Builders and Consumers buying products with best possible quality, safety and durability.
